Internship

Full Stack Intern   **March 2024 - May 2024**
Froyo Technology.

- Developed a sleek and user-friendly car rental service website, offering seamless booking, real-time availability, and an enhanced customer experience.
- Designed an intuitive online platform that allows users to browse, book, and manage rental vehicles effortlessly, ensuring convenience, affordability, and a wide range of options.
- Implemented a robust tech stack, using HTML, CSS, and Bootstrap for a responsive frontend, while Python and Django power the backend for secure authentication and booking management.
- Utilized MySQL as the database, efficiently managing user details, car availability, and rental history to ensure a smooth and efficient rental process.

Projects

EduVerse | *Html, CSS, Bootstrap, React.js, MySQL, Django*   **Since Feb 2025**

- Developed a dynamic e-learning platform with secure authentication, course management, quizzes, and AI-driven recommendations using HTML, CSS, JavaScript, Bootstrap, Django, and MySQL.
- Built using HTML, CSS, Bootstrap (frontend) JavaScript for authentication and Python (Django) with MySQL (backend & database).
- Implemented secure authentication, payment gateway, and AI-powered course recommendations for enhanced user experience.

Car Rental Service | *Html, CSS, Bootstrap, Python, Django*   **March 2024 - May 2024**

- Developed a feature-rich car rental platform for seamless vehicle booking and management.
- Implemented dynamic data handling from MySQL, ensuring efficient storage and retrieval.
- Designed a responsive UI with Bootstrap, incorporating dynamic pagination for better navigation.
- Utilized Django framework for secure authentication, booking system, and backend management.

Certificates

Responsible generative AI   **December 2024**
Microsoft — Achievements - krpiyush01 | Microsoft Learn

Digital Transformation with Cloud Computing   **December 2024**
Simplilearn — *Skillup Certificate | Simplilearn*

Full Stack Developer   **May 2024**
Froyo Technology — *Certificate*

Technical Skills

Languages C++, Java, Python

Technologies/Frameworks: Frontend, Bootstrap, React JS, Django

Tools/Platforms: MySQL Server, VS Code

Skills: Data Structures and Algorithms, Problem-Solving, Responsive Web Design.

Soft Skills: Good Technical, Team Lead and Communication Skills

Education

Lovely Professional University Punjab   **Since 2024**
Master of Computer Application— TGPA: 6.20   *Jalandhar, Punjab*

L.N Mishra College of Business Management   **2021 – 2023**
Bachelor of Computer Application — Percentage: 70.85%   *Muzaffarpur, Bihar*

Intermediate   **2018 – 2020**
12th with Science — Percentage: 67.3%   *Patna, Bihar*
